1A Financial Check-Up

Your Rx for Savings

Did you know that your credit report can impact your ability to purchase a home or vehicle, rent an apartment or secure a new job?

Therefore, reviewing your credit report regularly is important in safeguarding yourself against fraud and ensuring accurate reporting on your credit report.

We invite you to sit down with one of our 1A representatives for a free and confidential review of your credit report. Our goal is to educate you on how to improve and protect your credit rating. We will also use the information in your credit report to identify and discuss opportunities to save you money.

This is one check-up you don't want to miss.

Schedule your FREE Financial Check-Up and Credit Report Review today!

No purchase required. Limit one free credit report review per member. 1st Advantage FCU may, at its own discretion, end this promotion at any time. This offer expires June 28, 2013.
